Detach the above section and return it with your check. Retain the section below for your reference.

**Transfer Notes:**

For USMS National Championships, the intent to transfer to the team with which the swimmer will be competing must be indicated on the USMS National Championship meet ENTRY FORM when entry is submitted. Proof that this transfer will be completed by the first day of the meet (60 day unattached period will be completed) must accompany entry form. This proof must be obtained from the Registrar in either letter or new card form.

The Clubs/Teams listed below are registered in the Gulf for 2004 as of Oct 1. There may be more or different organizations registered when you apply to transfer. You cannot affiliate with a club that is not currently registered. If the club you indicate has not yet registered you will be registered as unattached. If in doubt about the status of your intended club, check with the registrar. If your registration is entered as unattached and, at a later date, you wish to attach to an organization you'll need to fill out another transfer form and pay more money (\$3).

**There is a \$5 fee for replacing lost cards, stolen cards, laundered cards and cards eaten by your dog.** If you do not receive your new card within 14 days of mailing your transfer application, contact the registrar immediately. Requests for new cards received more than 30 days after original processing will be handled as replacement cards. The USMS Card Replacement form can be downloaded from [www.GulfMastersSwimming.org](http://www.GulfMastersSwimming.org) in the Membership and Registration section.

Once you receive your new card: 1) make several photocopies for use with meet entries, 2) store your original card in a safe place and 3) destroy your old card.
